

## BENEFITS AT A GLANCE

- Ultra-low front design (220mm), for larger open height, highlighting product display
- 1 extra shelf, higher area effectiveness
- Evaporating temperature at -7 °C, with squeezed double air curtain to optimized total energy consumption
- Multiple choices of self-service and glass doors for different customer needs

## BENEFITS AT A GLANCE

- Larger opening height with extra layer for display improves the store efficiency by 10%
- Display area +10%
- Storage amount +10%

## NOMENCLATURE

**MONAXIS LU D 375 (ULF/H/SS)**

ULF: Ultra-low Front  
H: Heavy Load  
SS: Standard Supermarket

Width  
125 1250mm  
188 1875mm  
250 2500mm  
375 3750mm

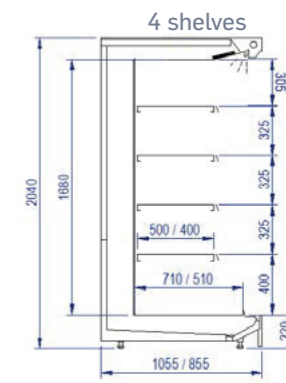

D: Dairy case

LU: Depth - 1055mm

EU: Depth - 855mm

Monaxis: E6 Monaxis
