

MenEco A Series Glass Door Multidecks/ 1.5m Height Semi-vertical Glass Door Multidecks

BENEFITS AT A GLANCE - GLASS DOOR MULTIDECKS

- All-new 6th generation multideck, features a simple and atmospheric design
- The front air curtain increases the shelf width for greater storage capacity
- The hidden door frame design and lower front height (370mm), highlight product display
- Higher evaporating temperature ($\geq -4^{\circ}\text{C}$), lower energy consumption, more energy efficient and environmentally friendly
- Optional transparent side panels & pull-out shelf
- Compatible with various models of Monaxis-SS/ Mendos, meeting different user needs

CUSTOMER VALUES - GLASS DOOR MULTIDECKS

- Storage amount +5%
- Display area +20%
- Energy consumption -5%

BENEFITS AT A GLANCE - 1.5M HEIGHT SEMI-VERTICAL GLASS DOOR MULTIDECKS

- 1.5m Semi-vertical glass door without blocking the in-store view
- Innovative display methods, flexible layout. Can be arranged in island style with glass door cabinets of the same series or with E6 SV open semi-height cabinets in an island-style layout.
- Save more energy than self-service cabinets
- All use E6 platform with many common parts
