

AIW Plus Dual-compartment Island

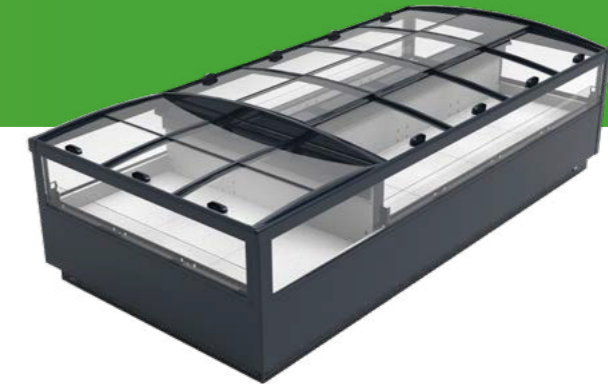

BENEFITS AT A GLANCE

- Integrated design of run case and end case reduces joint seams and enhances display effect
- Reduces transportation costs for refrigerated case; reduces installation (handling, jointing) costs and shortens construction period
- Flexible selection: available in 3, 4, 6, and 8 feet long case & middle case
- High efficiency air curtain design for energy savings and more stable temperature

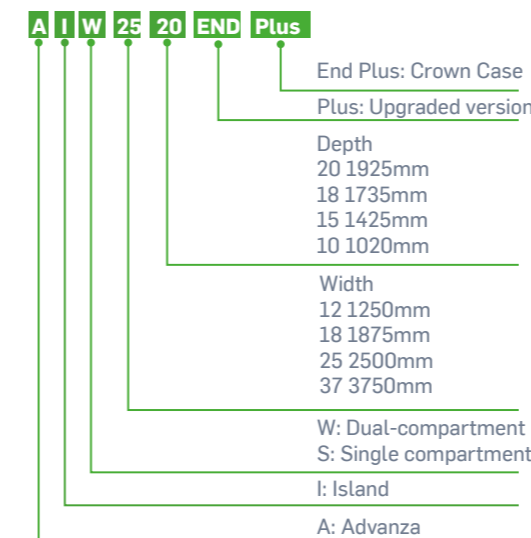

CUSTOMER VALUE

- Integrated design, innovative cabinet combination
- Able to adapt to harsh working conditions
- Horizontal display, with big display area and storage capacity, for optimized spatial arrangement in market
