

Mendos Series Semi-vertical Glass Door Multidecks (Remote & Plug-in)

PRODUCT FEATURES

- Temperature range of -1~5°C, suitable for storing various types of food
- Modern appearance, frameless door design, highlighting goods display
- Forced out multi-layer air curtain, better thermal insulation
- High evaporation temperature (-4°C) reduces the cooling demand of the unit
- Low front height, bigger display area (remote)
- Plug and play, flexible placement, convenient for in-store promotions (plug-in)

CUSTOMER VALUE

- Energy consumption -5~10% (Compared to the previous generation)
-60% (Compared to Self-service model)
- Complete range of plug-in & remote models to meet different user needs
- Storage amount +20%
- Display area +10%
